Smart Plug

Inhoudsopgave

Smart Plug 3

Smart Plug

The screenshot shows the JULLIX mobile application interface. At the top, there is a purple header with the JULLIX logo, a search icon, a notification bell, and a user profile icon. Below the header, it says 'DEMO installatie'. The main content area features two device cards. The first card is for 'Vijver pomp' (Pond pump), showing a power icon, a status of '0.00 kW', a voltage of '231.2 V', and a current of '0.00 A'. It has a settings gear icon and a toggle switch that is currently off. The second card is for 'Boiler', showing a power icon, a status of '0.00 kW', a voltage of '231.5 V', and a current of '0.00 A'. It also has a settings gear icon and a toggle switch that is currently on. At the bottom, there is a navigation bar with four icons: a grid for 'Dashboard', a line graph for 'Grafieken', a plug for 'Laadpaal', and a smart plug for 'Smart plug', which is currently selected.
