Overzicht & Vergelijken 3

Overzicht & Vergelijken

The screenshot shows the 'Overzicht & Vergelijken' (Overview & Compare) page in the Julix application. The interface includes a top navigation bar with the Julix logo and a sidebar with navigation options like 'Home', 'Kosten', and 'Vergelijken'. The main content area displays a comparison of energy costs between 'Vandaag' (Today) and 'Deze maand' (This month). A 'Selecteer tarief' (Select tariff) dropdown is set to 'Archief tarief' (Reference tariff). The data is presented in two columns, each with a list of cost components and a total. A red '2' is placed above the 'Archief tarief' dropdown, and a red '1' is placed above the date '2025/05/13' in the top left.

	Vandaag	Archief tarief	
VANDAAG
